HOPSON GLOBAL

"Courses developed by Hopson Global Education and Training are among our registrants' favorite courses. Individuals desire this type of practical life management education. Many employees register for these courses when they aren't required to! They enjoy reading and studying the modules which are full of real-life scenarios that clearly demonstrate how to make positive changes."

....staff of EmCert.com, Beaumont, Texas

"We highly recommend the professional development course, Work/Life/Leadership: Empowering Self and Others, developed by Hopson Global Education and Training. A large segment of working adults can gain excellent work/life/balance skills to support one's co-workers and employer via this comprehensive course."

....staff of Pearson Education Prentice Hall
Upper Saddle River, New Jersey

Visit our web site for a free demonstration lesson.
You can also view a slide presentation that outlines
all 12 lessons for the course.
